Professional Summary

MCA final-year student seeking an entry-level opportunity in the IT industry where I can apply my programming knowledge, analytical skills, and academic project experience while continuously learning and contributing to organizational success.

Skills

- **Programming Languages:** Python, C++
- **Data & Analytics:** SQL, Data Analysis, Statistical Analysis, Exploratory Data Analysis (EDA)
- **Machine Learning:** Fundamentals, Convolutional Neural Networks (CNN), Model Training, Validation
- **Tools & Platforms:** MS Excel (VLOOKUP, Pivot Tables), SAS, Power BI, Git, GitHub, Google Colab, Jupyter Notebook, VS Code
- **Soft Skills:** Analytical Thinking, Problem Solving, Communication, Team Collaboration, Time Management

Experience

SAS Analysis Intern — Technospark IT Solutions, Vijayawada January 2024 – May 2024

- Analyzed and validated large car sales datasets using SAS and MS Excel to ensure data accuracy and consistency.
- Conducted exploratory data analysis (EDA) to identify sales trends, patterns, and key performance indicators (KPIs).
- Applied statistical analysis techniques to generate insights supporting business and operational decisions.
- Prepared structured analytical reports and presented findings to project supervisors and team members.

Projects

Waste Classification Using Deep Learning

- Designed and implemented a Convolutional Neural Network (CNN) using Python to classify waste into Organic and Recyclable categories.
- Performed image preprocessing, feature extraction, model training, evaluation, and validation.
- Improved model performance through hyperparameter tuning and accuracy optimization.

Car Sales Analysis

- Analyzed car sales datasets using SAS and MS Excel to identify top-selling models and seasonal trends.
- Evaluated market patterns and brand performance using statistical and quantitative analysis.
- Generated data-driven insights to support business and marketing decision-making.

Certifications

- Cloud Computing — AWS Academy
- Business Analysis & Process Management — Coursera
- AI-ML Virtual Internship — EduSkills (AWS Academy)

Education

Master of Computer Applications (MCA) 2024 – 2026

Siddhartha Academy of Higher Education (Deemed to be University), Vijayawada
CGPA: 8.53

Bachelor of Science (Computer Science and Statistics) 2021 – 2024

KBN Degree College, Vijayawada
Percentage: 72%

Personal Details

Date of Birth: 08/06/2003

Languages Known: English, Telugu

Hobbies: Learning new technologies, Playing cricket, Listening to music
